

THE CHARGE

Process:

Learn about the financial position and financial strategies of the district,

Understand the purpose and status of the GCISD Strategic Plan - LEAD 2021,
and

Review the evaluation of facilities and support systems to learn what it will take to maintain, prepare and support district facilities, the learning environment and student programs for the future.

Committee's Charge from the GCISD Board of Trustees:

Review all of the information presented during the process and determine the need for a future bond package, and if needed, prepare a bond package for the Board's consideration that will be supported by a majority of the GCISD community and recommend whether a package should be presented to voters in May 2016.
